

Wall Clocks – Famous Statues, Squares and Monuments

Exclusive wall clock made of glass with silent mechanism. Excellent choice for decorating narrow walls, hallways and columns. The watch comes packed in a cardboard box and wrapped in a shrink and a transparent PVC lid.

Concept Collection

- A wide and varied collection of Statues, Squares and Monuments. Collection that transforms our wall clocks into real decoration pieces for homes, offices, hotels, buildings, etc. Designs and concepts adaptable to different interior design styles, wall colors, materials and coatings.

Point of Sale applications

- The exhibition of the collection on the walls of the point of sale, thanks to the concepts, variety and color, manages to capture the attention of the consumer, and raise their eyes to appreciate the variety, thus promoting interest and sale.
- Our narrow and compact floor stand allows an assortment of clocks to be lined up. Making it easier for the consumer to choose the watch that he likes most in a pleasant way.
